

Undergraduate Level Internships

PURPOSE: To enable students to gain familiarity with nonprofit work and social services work.

QUALIFICATIONS: Hope Clinic for Women is a nondenominational Christian ministry. Our policy requires that all staff and interns have made a commitment to Jesus Christ as Lord of their lives. We additionally ask that each practicum student be under the authority of a local church.

REQUIREMENTS: Each student must complete additional on-site training before working with clients.

Email resume and letter of interest (including why you would like to intern at Hope Clinic) to Jamie McAfee-Hodge at jmcafeehodge@hopeclinicforwomen.org.

If we feel as though it could be a good fit, you will be asked to complete an application, and invited to an on-site interview with at least 2 staff members and a tour of the clinic.
