History

Southeast Financial Credit Union has been serving members in Middle Tennessee communities and beyond since 1936. Giving back to the communities we serve is an important part of our mission, and the Southeast Financial Golf Classic is our biggest fundraising effort each year. Since its inception, the tournament has raised hundreds of thousands of dollars for charities in Middle Tennessee. Since 2010, we've donated over \$207,100 to support the worthwhile missions of the organizations below. We invite you to join us for our 21st Annual Golf Classic on Monday, September 11, 2023 as we continue this tradition of community giving.

Charities

Hope Clinic for Women is a faith-based organization serving women faced with unplanned pregnancies, pregnancy loss (miscarriage, stillbirth, infant death, or abortion), and postpartum depression. The clinic provides safe and confidential medical care, professional counseling, education, mentorship, and material support without regard to age, race, religion, or ability to pay.

United Cerebral Palsy of Middle TN educates, advocates, and provides support services to individuals of all ages with a spectrum of disabilities. For more than 60 years, their mission to advance the independence, productivity, and full citizenship of people with disabilities has significantly impacted the lives of millions and helped them to live without limits.
